

## Helpful Hints

- The Target Definition you wish to approve must have been set to 'Requires Approval' by whoever created it
- Approving a Target Definition will also update the status of the Definition to 'Active'

## Procedure

1. On the navigation pane, click the Targets icon  to navigate to the Targets screen.

2. Click on the Target Definitions tab (located on the top of your screen)  to navigate to the Target Definitions screen.

3. Click in the Targets display grid to select/highlight the Target Definition you wish to approve.

4. Click Approve button (located on the middle of your screen)  to approve the Target Definition you selected/highlighted.

5. Click OK button
